Preference plan probe a top priority for Trai

PRESS TRUST OF INDIA New Delhi, July 19

THE EXAMINATION OF telcos' premium plans promising 4G network preference is among the "top priority" for the regulator, and it hopes to finalise its views on the issue in about two weeks, a Trai source said.

On Friday, telecom tribunal TDSAT had stayed Trai's recent order to Vodafone Idea. The order had asked the company to withhold its offering promising priority 4G network on RedX plan. At the same time, Telecom Disputes Settlement and Appellate Tribunal (TDSAT) had said that it would be open for regulator Trai to proceed with the inquiry and pass final orders in accordance with law at the earliest after ensuring that requirements of natural justice are satisfied and the Vodafone Idea (VIL) is given opportunity to explain any alleged contravention of regulator's directions.

The Trai source told *PTI* that the examination of the plan will be among top priority for the regulator, which hopes to finalise its view on the issue in about two weeks. The source said that while much would depend on the extent of data and information that Traigets from operators like VIL and Bharti

On Friday, telecom tribunal TDSAT had stayed Trai's recent order to

Vodafone Idea. The order had asked the company to withhold its offering promising priority 4G network on RedX plan

Airtel (whose similar plan also came under scrutiny), the regulator would strive to finalise its view at the "earliest possible" timeframe.

Vodafone Idea had last week approached the telecom tribunal against the sector regulator's letter to the company asking it to withhold its plan that promised better speeds to certain priority users.

In fact, TRAI had questioned both VIL and Bharti Airtel on whether network preference to specific customers came at the cost of deterioration of services for other non-premium subscribers.

Trai had asked Vodafone Idea how the company is ensuring service quality to non-RedX data users, when the network priority had been promised to RedX customers, especially as telecom networks are reportedly congested in the pandemic scenario. It asked the operator if providing priority to some, not affect the service quality of rest of the network, since no additional capacity is being created.

It had asked after the launch of RedX plan, how would other non-premium customers check or raise concerns on deterioration of service quality, since neither average data speed nor minimum download speed has been committed to a 4G user at present. In its questionnaire sent earlier this month to the company, Trai also reminded VIL how the company and other telecom operators had argued time and again that for mobile networks, the data throughput to a user at a particular location depends on multitude of factors like number of subscribers using data services, device quality and external interferences and other such elements.

Trai asked what assurances are being given to protect the interest of non-premium users.

Power demand expected to fall up to 6% in FY21: Icra

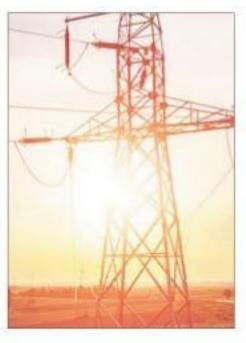

PRESS TRUST OF INDIA New Delhi, July 20

INDIA'S ELECTRICITY DE-**MAND** is likely to fall by up to 6% this fiscal due to re-imposition of lockdown restrictions in many parts of the country, ratings agency Icra said on Monday. According to Icra, all-India power demand in financial year 2019-20 was 1,291 billion

Earlier in April, the agency had estimated the fall would be a marginal 1 per cent.

With the re-imposition of lockdown restrictions in many parts across the country, the all-India electricity demand is likely to decline by 5% to 6% in FY21 over FY20, against the earlier estimate of 1% de-growth made in April 2020, Icra said in a report. It said during the first quarter of FY21, all-India electricity demand declined by 16.2% year-on-year because of the lockdown imposed to control the Covid-19 pandemic.

"...the revised energy demand de-growth estimate assumes demand decline of 3.5 -4.0% in Q2 (second quarter or July-September) and Q3 FY21 and a marginal recovery of about 1.0% in Q4 FY2021, given the slower pace of recovery expected in industrial and

commercial activity in the country," it said. This, in turn, is expected to suppress the thermal PLF (plant load factor) on an all-India level, which is now expected to decline to 50-51% in FY21 against 56% in FY20, it said. Icra's Group Head and Senior Vice President - Corporate Ratings Sabyasachi Majumdar said the decline in energy demand has adversely impacted the revenues and cash collections for the power distribution

utilities (discoms). There is decline in bulk consumption of power from the high tariff paying industrial and commercial consumers, and delays in cash collections from other consumer segments, he

today on falling milk prices **FE BUREAU** Centre to import 10,000 tonne ment on Tuesday and August 1 to protest against the drop in prices. Maharashtra has about 46 lakh milk producing farmers and milk dairies. Dairies earlier

Pune, July 20

THE MAHARASHTRA GOV-**ERNMENT** will on Tuesday meet representatives of various farmer organisations and dairies to resolve the issue of falling prices of milk because of renewed lockdown in several parts of the state. As a result of falling demand,

milk farmers are being forced to sell their produce at ₹16-17 per litre to dairies. Several farmer organisations have called for suspension of milk procure-

purchased milk at ₹33-34 per litre, but are now paying Rs 16-18 after the Covid outbreak. Milk producers said they are being paid ₹10-₹15 less than their cost prices.

Maha govt to meet farmers

Milk sales have dropped by around 40% in the lockdown period, according to Raju Shetti of the Swabhimani Shetkari Sanghatana (SSS). Farmer bodies have opposed the decision of the of milk powder when Maharashtra alone has around 50,000 tonne of excess milk powder. "About 86 lakh litre of milk

is sold in pouches. But due to lockdown, this sale has come down to 67 lakh litre per day. The state government is purchasing 5 lakh litre milk to help farmers, but still there is 47 lakh litre of excess milk. This has affected procurement prices and has added to the burden of farmers," Shetti said. He has demanded a ₹535-crore package from the state government.

Poor gerimation may force soybean farmers in Maha to resow in 25% area

date provided by SOPA re-

FE BUREAU Pune, July 20

SOYBEAN FARMERS IN Maharashtra may have to opt for resowing operations in around 20-25% area of the total acreage due to poor germination of the first sowing, a survey conducted by the Soybean Processors Association of India (SOPA) has revealed.

The total area in Maharashtra under soybean is around 38.175 lakh hectare this kharif season. The crop condition upvealed that the crop condition was normal in Maharashtra. Rains are needed in the next five to seven days in some parts of Latur, Osmanabad and Beed Districts, failing which crop may be affected due to moisture stress, DN Pathak, executive director, SOPA, said. "Crop is mostly free of weeds and insects. Infestation of gram pod borer, tobacco caterpillar and green semi-looper

has been observed in some ar-

eas and is being effectively

20.07.2020

controlled by spray of insecticides," he said. In MP, soybean has been

cultivated on nearly 55.07 lakh hectares this kharif. "About 50% area is already in flowering stage. The balance will be flowering in the next 10 to 15 days. Right now, the crop condition is normal," the sur vey mentioned. But rainfall is required in the next five to seven days, else the crop may be affected due to moisture stress, resulting in yield loss, Pathak warned.

Retail inflation for farm workers, rural labourers eases in June

PRESS TRUST OF INDIA New Delhi, July 20

RETAIL INFLATION FOR farm and rural workers in June eased to 7.16% and 7%, respectively, as compared to May this year, a labour ministry statement said on Monday. "Point to point rate of infla-

tion based on the CPI-AL (Consumer Price Index-Agricultural Labourers and CPI-RL (Consumer Price Index for rural labourers) decreased to 7.16% and 7.00% in June 2020 from 8.40% and 8.12%, respectively in May 2020," the ministry said. According to the statement,

inflation based on food index of CPI-AL and CPI-RL stood at (+) 8.57% and (+) 8.41%, respectively, in June 2020. The All-India CPI-AL and

CPI-RL (Base: 1986-87=100) for June 2020 decreased by 1 point each to stand at 1,018 and 1,024 points, respectively, compared to 1,019 and 1,025 in May this year.

The major contribution towards the fall in general index of agricultural labourers and rural labourers came from food, with (-) 1.82 points and (-) 1.58 points, respectively, mainly due to fall in prices of rice, arhar dal, masur dal, ground nut oil, meat goat, poultry, vegetables and fruits, among others.

Labour Minister Santosh Gangwar said, "The softening of inflation is mainly due to free supply of food grains under PM Garib Kalyan Ann Yojana (PMGKAY). This has benefitted a large number of households under Targeted Public Distribution System (TPDS) including agricultural and rural labourers thereby putting less burden on their daily budgetary requirement".

brought out by Labour Bureau — a wing of labour ministry.

Director General Labour Bureau D S Negi said easing of inflation reflects the efforts done by the central and state govern-

to ensure supplies of essentials during these testing times amid Covid-19 outbreak. According to the data, the

rise/fall in index varied from state to state. In case of agricultural labourers, it recorded an increase of 1 to 7 points in 9 states and a decrease of 1 to 19 points in 9 other states, while it remained stationary in 2 states — Manipur and Rajasthan.

Tamil Nadu with 1,214 points topped the index, whereas Himachal Pradesh with 784 points stood at the bottom. In case of rural labourers, it

recorded an increase of 1 to 8 points in 9 states and a decrease of 2 to 20 points in 10 states, while it remained stationary in Manipur.

Tamil Nadu with 1,199 points topped the index, whereas Himachal Pradesh scored the lowest 832 points. Amongst states, the maxi-

mum increase in the Consumer Price Index Numbers for agricultural labourers and rural labourers was experienced by Orissa (7 points and 8 points respectively) mainly due to rise in the prices of meat goat, fish fresh/dry, vegetables and fruits and saree cotton (mill) etc.

On the contrary, the maximum decrease in the Consumer Price Index Numbers for agricultural labourers and rural labourers was experienced by Jammu & Kashmir State (-19 points and -20 points respectively) mainly due to fall in the prices of fruits and vegetables, among others.
